JSPS JUNIOR SCHOOL LAPTOP PROJECT

As has been constantly communicated in flyers and in the online meetings conducted last month, all learners in Grades 7,8 and 9 in January 2026 will be required to report with a Google Chromebook laptop. These devices will be used to enhance the digital literacy skills for all learners in this section. It is an ambitious programme that is being rolled out in the Junior School, before being introduced to all other levels at the appropriate time. The school settled on Chromebooks and Google for Education Licence mainly because of the robust security measures, high performance and long battery life, not to mention the very competitive market prices for new Chromebooks. It is advised that parents/guardians procure devices that are not older than three years from the date of manufacture, with new devices being very highly recommended. The specifications will be shared in the Requirements List that will be shared in the WhatsApp Groups.

KPSEA AND KJSEA

The school presented a total of 383 candidates in the National Assessments of 2025. This is a significant rise in enrolment as such, made history as the highest number of candidates to sit the Assessments under the new curriculum. The candidates were well prepared and conducted themselves with confidence throughout the assessment period. The results of these assessments are anticipated by the time we celebrate Christmas. As indicated by the Ministry of Education, these are merely assessments. As a result, there will be no certificates issued at either Grade 6 or 9 level. The first Academic Certificate the learners will get will be after sitting the National Examinations (KCBE- Kenya Certificate of Basic Education) at Grade 12 in Senior School.

HOLIDAY ENGAGEMENT

Beginning 12th of November up to 5th of December, during weekdays, all learners in Grades 1,2,3,4,5,6,7 and 8, will be constructively engaged on the JSPS portal with Online Assignments and tasks. More details on how the programme will run will be shared in a separate communication. The learner should be provided with a digital device and stable internet connection to be able to attempt the work. Online work sent on the platform will be available for the learner to try at his/her convenience, especially for those who may be engaged in various other activities. All work will be sent at between 9.00 am – 12.00pm daily.

GRADE 7 BOOKFUND.

All parents with learners who have completed Grade 6 and are joining Grade 7 in 2026 are advised to take note that we shall require to renew the bookfund amount. The initial amount paid has been used to cater for new curriculum books in earlier Grades up to Grade 6. As a result, the Rationalized Book titles and all the course books they will be issued with in Grade 7–9 will be charged a bookfund that is payable one off. In case, you would like to get any further clarity on this issue, please, contact the accounts office. The bookfund fee has been already included in the Term 1 2026 Fees Invoice.

SCHOOL TRIPS

All our School Trips for PP1, PP2, Grade 1,2 and 3 are scheduled to take place in First term. This has been reflected in the Term 1 2026 invoice, and as such, no further payment will be required once fees has been paid. More details about this will be shared early next term.

RITE OF PASSAGE

As had been communicated last year, the school would like to make a communication to ALL parents of all boys who may opt to undergo circumcision this year. The school does not offer any preferential treatment, neither does it acknowledge those who have or have not undergone the rite of passage. Care will be taken to treat all learners equally with all rights for each learner upheld. No learner is expected to act in a manner likely to suggest that they ought to be treated differently. All learners in boarding have always been and will continue to be guided on how to conduct themselves in all shared spaces.

KNEC WRITTEN ASSESSMENTS

As directed by Kenya National Examinations Council, through a circular dated, 22nd August 2025, the school administered KNEC School Based Assessments this term for all learners in Grades 3,4,5,7 and 8. These results have been published in the JSPS Portal for your consumption. The marks attained in these tests are cumulatively added to the final Score at the National Assessments Level.

KINDERGARTEN

The school held the PP2 Learners Graduation Ceremony on 17th October 2025. This event was a colourful culmination of all that the section has achieved in the course of the year. In case you missed the event, kindly watch it on YouTube under Juja St. Peters Graduation Ceremony 2025. The Playgroup and PP1 learners also took part in the event through entertaining, educative pieces of entertainment. Learners in both classes have grown in all spheres, socially, mentally, spiritually, academically and emotionally. This growth has enabled them to cope with the school year and end successfully. Our Kindergarten Cultural Day will be held in the course of Term 1 2026. We shall prepare to showcase our varied Kenyan Culture with your support.

HOLIDAY ENGAGEMENT

Beginning 12th of November up to 5th of December, during weekdays, all learners in Grades 1,2,3,4,5,6,7 and 8, will be constructively engaged on the JSPS portal with Online Assignments and tasks. More details on how the programme will run will be shared in a separate communication. The learner should be provided with a digital device and stable internet connection to be able to attempt the work. Online work sent on the platform will be available for the learner to try at his/her convenience, especially for those who may be engaged in various other activities. All work will be sent at between 9.00 am – 12.00pm daily.

GOING GREEN

Juja St. Peter's is now running on 100% green energy. We have invested in solar power to ensure efficiency and constant power in the institution while also playing our part in ensuring we take care of the environment.

BOARDING

All Grades 8 and 9 Learners will be expected to join boarding in January 2026. This is in line with our school programmes that are aimed at enhancing the exit profile of each learner by thoroughly preparing the learner for Senior School. A further communication on Boarding Requirements and Fees Payable will be shared in the class WhatsApp Groups for the respective classes. For learners in Grade 7, boarding vacancies will be filled on a first come first served basis. Secondly, the school does not have a provision for weekly or bi-weekly boarding. The learners will however be released for a grooming weekend at the end of the first month, break on Midterm and End Term as indicated in the term dates. Visiting of Learners in Boarding is restricted to WEEKDAYS, between 1.00–1.30pm, and 4.00 – 4.30 pm. Weekend and Public Holiday visits are not allowed.

DISCIPLINE

As learners continue with their long holiday, we appeal to all parents/guardians to monitor the learner's use of digital devices. This should be done objectively in order to offer guidance and also correct should there be instances of misuse. It is also good to set boundaries on the length of screen time, a No Password Policy for all digital devices, as well as securing the devices against harmful and explicit content through the use of simple tools like Google Family link which allows you to restrict the screen time, downloads, misuse and monitor the learner's online activity from your own device.

UNIFORM AND REQUIREMENTS

A list of All the recommended uniform shades and colours as well as the amount will be shared in a separate communication. All parents/guardians are advised to stick to recommended uniform articles. They should also be labelled with the learner's admission number.

STATIONERY AND OTHER REQUIREMENTS LIST

A list of all stationery required for Term 1 2026, reference books (where applicable), and all other subject requirements will be shared in a separate communication in the Respective Class WhatsApp Groups. The laptop Specifications for Junior School will also form part of the school requirements list.

SATURDAY ACTIVITIES

These activities will resume at the beginning of January 2026 according to the communication that will be provided. The activities have become budding academies whereby all manner of talent is developed. We truly thank you greatly for supporting the programme.

PRIVATE TRANSPORT

As we begin the new year, the school will hold a series of sensitization meetings for parents whose children use private transport as well as the Private Transporters themselves. This is in line with regulations from NTSA on how such an activity ought to be carried out in a safe manner for the benefit of all stake holders.

INTERVIEWS

The school does not conduct interviews for learners joining Playgroup at 3 years of age. This is a direct admission for any learner who has attained the minimum age requirement and is ready for school. Slots are filled on a first come first served basis.

All other classes require that a learner has to be assessed before placement. This is usually done through an online application submitted on the JSPS website:

<https://interviews.jsps.ac.ke/application>

This year's interviews were conducted on 7th and 8th November 2025. Interviews are only done once in a year after KJSEA and KPSEA, though applications are received throughout the year. Applications usually close on the 31st of October every year for ALL classes.
